## Master's Plan A Student Progress Form IIA *Appointment of Thesis Committee*

Please use this form for the appointment of a thesis committee. The thesis committee guides the student, approves the thesis topic (Form II), and conducts the final examination. The rules are as follows:

- (i) The committee must have at least three members from the graduate faculty of the University of Hawaii at Manoa.
- (ii) The chair and a majority of members must be from the graduate faculty of the Department of Earth Sciences.

For exceptions to these rules and more details, see the Graduate Student Handbook. For a current listing of graduate faculty members, visit the UHM graduate faculty online search tool.
