

**Doctorate**  
**Student Progress Form I-I**  
*Master's Plan B en route to PhD*

The MS en-route plan is for PhD students who decide to complete both their master's and doctoral degrees within seven years at UH-Manoa. By completing and signing this form, both the student and the Qualifying Exam committee certifies that the student has completed (a) a written report or technical paper and (b) an oral presentation that satisfies the requirements of a MS Plan B in Earth & Planetary Sciences.
