Note: access to Journal of the Geological Society (London):

Start in UH Library Voyager

Choose SEARCH FOR ELECTRONIC RESOURCES and type in INGENTA

Click on INGENTA box, it takes you to

CONNECT COMPLETE pager

Type in JOURNAL OF THE GEOLOGICAL SOCIETY and choose JOURNAL, then GO

<sup>1</sup>When the Journal of the Geological Society page (finally) comes up, you'll see years 1990-2006 marked with a yellow, boxed "S" to confirm the subscription

Select your issue, and you'll get the TABLE OF CONTENTS next.

Ignore the "Library holdings...not owned..." and select the paper you want.

The ABSTRACT will then come up, with more lines about "...not owned by UH..."

Ignore those lines and notice the yellow PDF box, the confirmation of file size, and the note "at last" that says, you DO have access to this article.

And if anybody finds a better way to get these paper, please let me know [dhenders@hawaii.edu](mailto:dhenders@hawaii.edu)
