

Symposium on Tagging and Tracking Marine Fish with Electronic Devices

February 7-11, 2000
East-West Center
Honolulu

Information for Authors

Kluwer Academic Publishers has agreed to publish the proceedings of the Symposium as a volume of peer-reviewed articles. Kluwer is a distinguished publisher with an extensive list of scholarly books and journals including *Reviews in Fish Biology and Fisheries*.

Participants who wish to have their presentation considered for publication in this volume should transmit their manuscripts, along with the names and addresses of three potential reviewers, by **February 25, 2000**. Manuscripts must be submitted on IBM/PC formatted diskette as either MSWord files or as "rich text format" (rtf) files. We will follow the style required by *Reviews in Fish Biology and Fisheries*. The RFBF instructions for authors may be downloaded from <http://www.wkap.nl/journalhome.htm/0960-3166>
