

Please provide your feedback--make your voice heard!

What do you believe is the most pressing energy issue facing UH Mānoa?

What suggestions do you have for reducing UH Mānoa's energy costs?

What part of the event did you find most valuable/enlightening?

Would you be interested in attending future energy-focused events providing more in-depth information and additional topics (i.e. renewable energy, conservation best practices)?

I am committed to helping UH Mānoa reach its Energy Goals, please add me to your Energy listserve and notify me of future events.
