All questions by Offerors or potential Offerors should be submitted in writing via email to Ross Barnes using the address, maropsup@soest.hawaii.edu. Questions regarding proposal requirements, contents, and details will receive a response only for those questions received by 3:00 PM, HST May 31, 2019. The website referred to in the preceding paragraph will be non-secured (open and accessible to anyone to view). Since all questions and responses will be posted and accessible to the public, no proprietary information or questions regarding proprietary information or material should be communicated by an Offeror to the website identified above.
1.5 QUESTIONS BY RCUH TO OFFERORS

The Offeror is responsible for ensuring the correctness and readability of its proposal. However, the RCUH reserves the right to seek clarifications during the Proposal Review Period. Content for which a clarification may be requested includes obvious mislabeling of figures or tables, illegible text (such as may occur in a figure label being reduced to too small a font size), or an obvious clerical mistake (e.g., a misplaced decimal point or obvious mistake in designation of a unit such as feet instead of meters). The authority to permit correction of proposals is limited to proposals that, as submitted, are responsive to the RFP and may not be used to permit correction of proposals to make them responsive.

1.6 CLARIFICATION OF THE RFP

An Offeror shall carefully review this RFP for defects and questionable or objectionable matter. Comments concerning defects and questionable or objectionable matter shall be promptly submitted to the RCUH prior to the Closing Date for Receipt of Offeror Questions. This shall allow issuance of any necessary amendments to the RFP. The Offeror hereby acknowledges, agrees, and waives any claim arising from any knowledge of any defect in this RFP acquired prior to the Closing Date for Receipt of Offeror Questions and failing to inform the RCUH prior to said deadline. The Offeror further acknowledges and agrees that: (1) the RCUH reserves the right to waive any technical irregularity not affecting an unbiased and objective evaluation of all proposals; (2) such waiver will be in the best interest of the RCUH; and (3) the Offeror hereby waives any claim against the RCUH arising from such technical irregularity.

1.7 TAX CLEARANCE FOR PROPOSALS

A tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service is not required for submission of a proposal. However, in accordance with Section 103-53 of the Hawaii Revised Statutes, the selected contractor shall submit a valid tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service prior to execution of the Agreement for Services. A Certificate of Vendor Compliance that reflects a “Compliant” status from Hawaii Compliance Express (HCE), https://vendors.ehawaii.gov/hec/splash/welcome.html is acceptable in satisfying the tax clearance requirement. Governmental agencies in the U.S. (i.e., city, county, state, federal) and any foreign governmental agencies are excepted from the tax clearance requirement.

Due to the fact that the proposal review and contract award period may be tightly scheduled, it is highly recommended that Contractors submitting proposals apply for tax clearance upon submission of the proposal in order to meet key dates.

1.8 PREPARATION COSTS

Any costs incurred by Offerors in preparing or submitting a proposal shall be the sole responsibility of the Offeror.

1.9 PROPRIETARY INFORMATION
The Offeror should clearly identify any proprietary information in the Offeror’s submitted proposal. Upon final execution of an Agreement for Services, all non-proprietary information in an Offeror’s proposal may be made available by the RCUH for public inspection upon request. Accordingly, material designated as confidential should be readily separable from the proposal in order to facilitate inspection of the non-confidential portion of the proposal.

1.10 SUBMISSION OF PROPOSALS

Offerors may submit proposals by mail or email. Email submittals are strongly preferred. Note that the maximum allowable file size for email attachments is 10 MB, so an Offeror may need to send its complete proposal in multiple parts. If submitting by mail, please include the original and 1 copy. It is the responsibility of the Offeror to confirm that the RCUH has received its proposal prior to the Closing Date for Receipt of Proposals. Proposals may be modified by an Offeror prior to the Closing Date for Receipt of Proposals.

Address, if submitting by mail:

University of Hawaii Marine Center

1.11 CERTIFICATION OF PROPOSAL

By submitting a proposal, the Offeror certifies that the proposal submitted to the RCUH is in accordance with any required authorization by the governing body of the Offeror’s organization. The Offeror further certifies that the information and responses contained in the proposal are true, accurate, and complete, and that the RCUH may justifiably rely upon said information for purposes of evaluation and contracting with the Offeror. If it is later discovered that any information provided in the Offeror’s proposal is false, it will result in the Offeror’s elimination from consideration.

1.12 PROPOSAL WITHDRAWAL

An Offeror may withdraw its proposal by submitting a written request to the RCUH any time prior to the Closing Date for Receipt of Proposals.

1.13 RFP SUBMITTALS BECOME THE PROPERTY OF RCUH

All proposals and other material submitted shall become the property of the RCUH, and may be returned at the sole discretion of the RCUH.

1.14 OPENING OF PROPOSALS
Proposals will be opened after 3:00 P.M. Hawaii Standard Time, on June 19, 2019, or as amended at the office to which the proposals are submitted. The proposal opening will not be open to the public. Proposals will not be subject to public inspection until after an Agreement for Services is signed by all parties, but in no case will proprietary information or proprietary material designated as such and submitted by an Offeror as part of an Offeror’s proposal, be available for public inspection.

1.15 DISQUALIFICATION OF PROPOSALS

The RCUH reserves the right to consider as acceptable only those proposals submitted in accordance with all the requirements set forth in this RFP, and which demonstrate an understanding of the scope of work. Any proposal offering any other set of terms and conditions contradictory to those included in this RFP may be disqualified without further notice.

An Offeror shall be disqualified and its proposal automatically rejected for any one or more of the following reasons:

- The proposal shows any noncompliance with applicable law.
- The proposal is conditional, incomplete, or irregular in such a way as to make the proposal indefinite or ambiguous as to its meaning.
- The proposal has any provision reserving the right to accept or reject award, or reserving the right to enter into a contract pursuant to an award, or has any provision contrary to those required in the solicitation.
- The Offeror is debarred or suspended. Entities that are currently debarred or suspended from federal procurement transactions are listed in the Excluded Parties Listing System. A search can be performed at www.sam.gov to determine whether an entity has an active exclusion.

1.16 REFERENCES

The Offeror must disclose all contracts for similar services for the last three (3) years, and these will serve as potential references to be contacted by the RCUH as part of the evaluation of the Offeror’s proposal. Points of contact and contact information should be indicated for each contract listed.

The RCUH reserves the right to contact the references named in the Offeror’s proposal and any other references provided by the Offeror during the past three (3) years. The results of discussions with the references will be used to score the proposal, as described in Section 4 of this RFP.

1.17 SELECTION ON INITIAL PROPOSALS

The RCUH may select a Contractor on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Offeror’s best terms.

1.18 BASIS FOR SELECTION
Based on the evaluation process discussed in Section 4 of this RFP, the highest ranked responsible and responsive Offeror will be selected.

1.19 PROCESS FOR NEGOTIATIONS

The RCUH will attempt to negotiate with the selected Offeror a mutually acceptable Agreement for Services. If this cannot be accomplished within 21 calendar days after initial Selection, the RCUH reserves the right to terminate contract negotiations with the first-ranked Offeror, and may select the second-ranked Offeror for negotiation of a potential award. This process may continue in order of Offeror ranking until a mutually acceptable Agreement for Services is achieved with the RCUH and an award is made to a selected Offeror.

1.20 AVAILABILITY OF FUNDS

Offerors are advised that entering into an Agreement for Services is contingent upon availability of funds. If funds are not available, the RCUH reserves the right not to enter into an agreement.

1.21 NOTICE TO PROCEED

The RCUH shall not be responsible for work done, even in good faith, prior to the RCUH’s execution of an Agreement for Services unless specific provisions are made in the Agreement for Services.

1.22 CHANGES TO CONTRACTOR’S FEE

It is recognized that financial audit disallowances and other changes may require adjustments in the compensation due to the Contractor. In the event that future actions would either disallow or minimize the payments already made to the Contractor, the Contractor shall assist the RCUH in defending the correctness of the claim for reimbursement. If the disallowance or adjustment is upheld, then the Contractor will repay RCUH to the extent the amount of the disallowance or adjustment was included in the total fee received by the Contractor. Payment to the RCUH shall be made within THIRTY (30) calendar days from which official notice is received by the Contractor from the RCUH.

1.23 PROCUREMENT OFFICER

Security is primarily accomplished by controlling gated facility entry to authorized personnel and authorized vehicles in accordance with International Ship and Port Facility Security (ISPS) code and MARSEC levels. The gate shall remain in automatic mode at all times unless operated by the guard for those without a gate card. The guard station is equipped with a video monitor for the security cameras. 10. Monitor research vessels—R/V Kilo Moana and/or R/V Kaimikai O Kanaloa—when they are in port. From the dock, observe for any evidence of fire, flooding or suspicious activity. The guard shall notify the crew or guard supervisor for assistance and the Facility Security Officer.
11. Perform general housekeeping maintenance of the guard station. **THIS IS IMPORTANT.**
12. Other duties as specified by the UHMC after consultation with the guard agency.

**Conduct (at all times) of Guard On Duty**

Commencement date is approximately August 1, 2019. Either party may terminate the service agreement by giving thirty (30) days prior written notice of such termination to the other party.

   d. CONTRACTOR shall be responsible for payment of all applicable federal, state and county taxes and fees which may become due and owing by CONTRACTOR by reason of this Agreement, including but not limited to (i) income taxes, (ii) employment related fees, assessments and taxes, and (iii) general excise taxes. CONTRACTOR is further responsible for obtaining all licenses, permits, and certificates that may be required by reason of this Agreement, including but not limited to a general excise tax license from the Department of Taxation, State of Hawaii.

   e. CONTRACTOR shall be responsible for securing any and all insurance coverage for CONTRACTOR and CONTRACTOR's employees and agents which is, or may be, required by law. CONTRACTOR shall further be responsible for payment of all premiums, costs and other liabilities associated with securing said insurance coverage.
3. **Personnel Requirements.**
   
a. CONTRACTOR shall secure, at CONTRACTOR's own expense, all personnel required to perform the services required by this Agreement.

b. CONTRACTOR shall ensure that CONTRACTOR's employees and agents are experienced and fully qualified to engage in the activities and services required under this Agreement, and that all applicable licensing and operating requirements imposed or required under federal, state and county law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents, are complied with and satisfied.

4. **Nondiscrimination.** No person performing work under this Agreement, including any subcontractor, employee or agent of CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state or county law.

5. **Subcontracts and Assignments.** CONTRACTOR shall not assign or subcontract any of CONTRACTOR's duties, obligations, or interests under this Agreement without the prior written consent of RCUH. Additionally, no assignment by CONTRACTOR of CONTRACTOR's right to compensation under this Agreement shall be effective unless and until the assignment is approved in writing by RCUH, and a tax clearance is submitted by the assignee. RCUH must also approve, in writing, all other assignment or subcontract agreements entered into by CONTRACTOR's assignees and subcontractors, prior to execution.

6. **Conflict of Interest.** CONTRACTOR represents that neither CONTRACTOR, nor any employee or agent of CONTRACTOR, presently has any interest (and promises that no such interest, direct or indirect, shall be acquired), which would or might conflict in any manner or degree with the performance of CONTRACTOR's services under this Agreement.

7. **Modifications of Agreement.** Any modification, alteration, amendment, change, or extension to any term, provision, or condition of this Agreement shall be made only by written amendment to this Agreement, signed by CONTRACTOR and RCUH. No modification, alteration, amendment, change or extension to any term, provision, or condition of this Agreement, signed by any persons, including the University of Hawaii, shall be binding on RCUH unless signed by an authorized official of RCUH.

8. **Suspension of Agreement.** RCUH reserves the right at any time and for any reason to suspend all or any part of the performance required by this Agreement for any reasonable period, upon written notice to CONTRACTOR. Upon receipt of said notice, CONTRACTOR shall immediately comply with said notice and suspend all such work under this Agreement at the time stated.

9. **Termination of Agreement for Default.**
   
a. If CONTRACTOR breaches this Agreement by failing to satisfactorily fulfill in a timely or proper manner CONTRACTOR's obligations under this Agreement, or failing to perform any of the promises, terms, or conditions of this Agreement, and having been given reasonable notice of and opportunity to cure such default, fails to take satisfactory corrective action within the time
specified by RCUH, RCUH shall have the right to terminate this Agreement in whole or in part, by giving written notice to CONTRACTOR of such termination at least seven (7) calendar days before the effective date of such termination. In the case of a partial termination, CONTRACTOR shall continue performance of this Agreement to the extent it is not terminated.

b. CONTRACTOR shall, within four (4) weeks of the effective date of such termination (or within four (4) weeks of the scheduled expiration of the time of performance specified in this Agreement, whichever is earlier), compile and submit in an orderly manner to RCUH an accounting of the work performed up to the effective date of termination or expiration. In such event, CONTRACTOR shall be paid for the actual cost of the services rendered, but in no event more than the total compensation payable to CONTRACTOR under this Agreement.

c. As of the date of termination provided in the notice, CONTRACTOR shall incur no further obligations in connection with the terminated performance, and CONTRACTOR shall stop performance to the extent specified. CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance, subject to RCUH's approval. RCUH may choose to direct CONTRACTOR to assign CONTRACTOR's right, title, and interest under terminated orders or subcontracts to RCUH.

d. CONTRACTOR shall not be relieved of liability to RCUH for damages sustained because of any breach by CONTRACTOR of this Agreement, including but not limited to RCUH's procurement of similar goods and services in a manner and upon terms deemed appropriate by RCUH. In such an event, RCUH may retain any amounts which may be due and owing to CONTRACTOR until such time as the exact amount of damages due to RCUH from CONTRACTOR has been determined. RCUH may also set off any damages so determined against the amounts retained.

e. Upon termination of this Agreement (or upon the scheduled expiration of the time of performance specified in this Agreement, whichever is earlier), all finished and unfinished material prepared by CONTRACTOR shall, at RCUH's option, become RCUH's property and, together with all material, if any, provided to CONTRACTOR by RCUH, shall be delivered and surrendered to RCUH on or before the expiration date or date of termination. For purposes of this Agreement, “material” includes but is not limited to any information, data, reports, summaries, tables, maps, charts, photographs, films, graphs, studies, recommendations, program concepts, titles, scripts, working papers, files, models, audiotapes, videotapes, computer tapes, cassettes, diskettes, documents, and records developed, prepared, or conceived by CONTRACTOR in connection with this Agreement, or furnished to CONTRACTOR by RCUH. Additionally, CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property and materials in the possession of CONTRACTOR, in which RCUH has an interest.

10. **Termination of Agreement for Convenience.**

a. RCUH may terminate this Agreement without statement of cause at any time, in whole or in part, by giving written notice to CONTRACTOR of such termination at least thirty (30) calendar
days before the effective date of such termination. In the event of a partial termination, CONTRACTOR shall continue performance of this Agreement to the extent it is not terminated.

b. Upon termination of this Agreement, CONTRACTOR shall, within four (4) weeks of the effective date of such termination, compile and submit in an orderly manner to RCUH an accounting of the work performed up to the effective date of termination. In such event, CONTRACTOR shall be paid for the actual cost of the services rendered, but in no event more than the total compensation payable to CONTRACTOR under this Agreement.

c. As of the date of termination provided in the notice, CONTRACTOR shall incur no further obligations in connection with the terminated performance, and CONTRACTOR shall stop performance to the extent specified. CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance, subject to RCUH’s approval. RCUH may choose to direct CONTRACTOR to assign CONTRACTOR’s right, title, and interest under terminated orders or subcontracts to RCUH.

d. All finished and unfinished material prepared by CONTRACTOR shall, at RCUH’s option, become RCUH’s property and, together with all material, if any, provided to CONTRACTOR by RCUH, shall be delivered and surrendered to RCUH on or before the date of termination. For purposes of this Agreement, “material” includes but is not limited to any information, data, reports, summaries, tables, maps, charts, photographs, films, graphs, studies, recommendations, program concepts, titles, scripts, working papers, files, models, audiotapes, videotapes, computer tapes, cassettes, diskettes, documents, and records developed, prepared, or conceived by CONTRACTOR in connection with this Agreement, or furnished to CONTRACTOR by RCUH. Additionally, CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property and materials in the possession of CONTRACTOR, in which RCUH has an interest.

11. Compliance with Laws. CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, which in any way affect CONTRACTOR’s performance of this Agreement.

12. Indemnification and Defense. CONTRACTOR shall defend, indemnify, and hold harmless RCUH, the University of Hawaii, the State of Hawaii, and the Project, and their respective officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys’ fees and costs, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of CONTRACTOR or CONTRACTOR’s employees, officers, agents, or subcontractors, occurring during or in connection with the performance of CONTRACTOR’s services under this Agreement. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Agreement.

13. Disputes. No dispute arising under this Agreement may be sued upon by CONTRACTOR until after CONTRACTOR’s written request to RCUH to informally resolve the dispute is rejected, or until ninety (90) days after RCUH’s receipt of CONTRACTOR’s written request, whichever occurs first.
While RCUH considers CONTRACTOR’s written request, CONTRACTOR agrees to proceed diligently with the provision of services necessary to complete the scope of services described in Attachment 1.

a. All material given to or made available to CONTRACTOR by virtue of this Agreement, whether oral or written, and which is identified as proprietary or confidential information, will be safeguarded by CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of RCUH.

b. All information, data, or other material provided by CONTRACTOR to RCUH, which is identified as proprietary or confidential, shall be kept confidential to the extent permitted by law.

a. Physical Material. The University of Hawaii shall have complete ownership of all physical material, both finished and unfinished, which is acquired, developed, prepared, or assembled by CONTRACTOR pursuant to this Agreement, unless the provisions of the Project's Prime Award (grant/contract awarded directly by the federal government), if any, requires that title to physical material vest in another party. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the University of Hawaii or other required party as the owner of the material, without the need for any additional consideration.

b. Patenable Inventions.

i. Rights to Patenable Inventions. The rights to patentable inventions shall be determined in accordance with the provisions of the Project’s Prime Award, if any. If the Prime Award is subject to the applicable regulations governing patents and inventions incorporated in 37 CFR 401, the term “subcontractor” shall be substituted for “contractor” throughout 37 CFR 401, unless the context of the clause requires otherwise. It is intended that 37 CFR 401 shall apply to CONTRACTOR in such a manner as is necessary to: (1) reflect the position of CONTRACTOR as a subcontractor to RCUH, (2) insure CONTRACTOR’s rights under 37 CFR 401 and its obligations to RCUH, the Project, and the United States government, and (3) enable the Project to meet its obligations under its Prime Award. In the absence of ownership provisions in the Prime Award, or if the Project is supported by other funds, the ownership of patentable inventions developed pursuant to this Agreement will be determined under applicable U.S. law. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the rights to the patentable inventions, without the need for any additional consideration.

ii. Licensing of Patenable Inventions. CONTRACTOR agrees to grant and hereby does grant to the University of Hawaii an irrevocable, royalty-free, non-transferable, non-exclusive right and license to use, make, have made, and distribute any patentable invention first conceived or reduced to practice in the performance of this Agreement.
c. Copyrights. The University of Hawaii shall have complete ownership of all copyright material (including but not limited to any computer software and its documentation and/or databases) that is developed or prepared by CONTRACTOR for RCUH pursuant to this Agreement, and all such material shall be considered “works-made-for-hire.” All such material shall be delivered to RCUH upon expiration or termination of this Agreement. CONTRACTOR, however, may use thereafter any ideas and techniques that may be embodied in such works. To the extent the material is not recognized as a “work-made-for-hire” as a matter of law, CONTRACTOR hereby assigns to the University of Hawaii any and all copyrights in and to the material. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the University of Hawaii as the owner of the material, without the need for any additional consideration.

16. **Publicity.** CONTRACTOR shall not refer to RCUH, the University of Hawaii, the Project, or any office, agency, or officer thereof, or to the services provided pursuant to this Agreement, in any of CONTRACTOR’s brochures, advertisements, or other publicity of CONTRACTOR. All media contacts with CONTRACTOR about this Agreement shall be referred to RCUH.

17. **Payment Procedures; Final Payment.** All payments under this Agreement shall be made only upon (a) submission by CONTRACTOR to RCUH of original invoices specifying the amount due and certifying that services requested under this Agreement have been performed by CONTRACTOR according to this Agreement, and (b) satisfactory performance as determined by RCUH and as specified in Attachments 1, 2, and 3.

18. **Tax Clearance.** Final payment under this Agreement shall be subject to Section 103-53 of the Hawaii Revised Statutes, which requires a tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service, stating that all delinquent taxes, if any, levied or accrued against CONTRACTOR have been paid. A tax clearance is required on final payment for agreements of $25,000 or more. In addition to obtaining a tax clearance prior to final payment, CONTRACTOR is required to obtain a tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service prior to the execution of this Agreement, if $25,000 or more.

19. **Governing Law.** The validity of this Agreement and any of its terms and/or provisions, as well as the rights and duties of the parties to this Agreement, shall be governed by the laws of the State of Hawaii. Any action at law or in equity to enforce or interpret the provisions of this Agreement shall be brought in a state court of competent jurisdiction in Honolulu, Hawaii.

20. **Notices.** Any written notice required to be given by a party to this Agreement shall be (a) delivered personally, or (b) sent by United States first class mail, postage prepaid, to RCUH at its address, and to CONTRACTOR at its address, as indicated in this Agreement. A notice shall be deemed to have been received by the recipient three (3) days after mailing or at the time of actual receipt, whichever is earlier.

21. **Severability.** In the event that any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms of this Agreement, provided that the remaining terms and conditions of this Agreement remain legal and enforceable.
22. **Waiver.** The failure of RCUH to insist upon strict compliance with any term, provision or condition of this Agreement shall not constitute or be deemed to constitute a waiver or relinquishment of RCUH's right to enforce the same in accordance with this Agreement.

23. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same Agreement.

24. **Federal Provisions.** If federal funds are expended under this Agreement, CONTRACTOR shall comply with the applicable provisions of Attachment C.

Attachment E. Additional Conditions for Services Agreements

1. Insurance Requirements
The Contractor shall maintain General Liability insurance acceptable to RCUH in full force and effect throughout the term of the Agreement. The policy or policies of insurance maintained by the Contractor shall provide Combined Single Limit Coverage (bodily injury and property damage) in the amount of $1,000,000 per occurrence and $2,000,000 per project aggregate. Insurance shall be in force the first day of the term of the Agreement.

Workers’ Compensation/Employers’ Liability Insurance – The Contractor shall maintain workers’ compensation insurance for all persons whom they employ in carrying out the work under the Agreement, in amounts sufficient to meet the Hawaii statutory limits and the legal requirements in all other jurisdictions where work will be performed. The Contractor shall maintain the following minimums for Employers’ Liability: (1) Bodily Injury by Accident, $1,000,000 (each accident); (2) Bodily Injury by Disease, $1,000,000 (policy limit); and (3) Bodily Injury by Disease, $1,000,000 (each employee).

Auto Liability Insurance – The Contractor shall obtain Auto Liability Insurance covering all owned, non-owned and hired autos with coverage of not less than $1,000,000 per occurrence for Bodily Injury (per person); not less than $1,000,000 per occurrence for Bodily Injury (per accident); and not less than $1,000,000 per occurrence for Property Damage. The required limit of insurance may be provided by a single policy or with a combination of primary and excess policies.

Each insurance policy required by the Agreement shall contain the following three (3) clauses:

a. “It is agreed that any insurance maintained by RCUH will apply in excess of, and not contribute with, insurance provided by this policy.”
b. “The University of Hawaii and RCUH are added as additional insureds with respect to operations performed for the University of Hawaii and RCUH.”
c. “All rights of subrogation are hereby waived against the University of Hawaii, RCUH, and the State of Hawaii, their officers, employees, and agents.”

Clauses a and b are waived for any professional liability/errors and omissions liability insurance.

The Contractor is required to notify RCUH of any changes to Contractor’s insurance policies or any cancellation of insurance at least THIRTY (30) days prior to the change or cancellation.

All insurance described herein shall be primary and cover the insured for all work to be performed under the Agreement, all work performed incidental thereto or directly or indirectly connected therewith.

The Contractor agrees to deposit with RCUH, on or before the effective date of the Agreement, certificates of insurance necessary to satisfy RCUH that the insurance provisions of the Agreement have been complied with and to keep such insurance in effect and the certificates therefore on deposit with RCUH during the entire term of the Agreement.
RCUH shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If, in the opinion of RCUH, the insurance provisions in the Agreement do not provide adequate protection for RCUH, RCUH may require the Contractor to obtain insurance sufficient in coverage, form, and amount to provide adequate protection. RCUH’s requirements shall be reasonable but shall be designed to assure protection from and against the kind and extent of the risks which exist at the time a change in insurance is required.

RCUH shall notify the Contractor in writing of changes in the insurance requirements; and if the Contractor does not deposit copies of acceptable insurance policies with RCUH incorporating such changes within TEN (10) days of receipt of such notice, the Agreement shall be in default without further notice to the Contractor and RCUH shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit the Contractor’s liability hereunder nor to fulfill the indemnification provisions and requirements of the Agreement. Notwithstanding said policy or policies of insurance, the Contractor shall be obligated for the full and total amount of any damage, injury, or loss arising from its acts or omissions with respect to the Agreement.

2. **Certificate of Insurance (General Requirements)**

   e. **Effective Date** – The effective date should be no later than the contract date or the first date the contractor will begin work.

   f. **Expiration Date** – The expiration date should be monitored to ensure that new COIs are requested and received prior to the policy’s expiration.

   g. **Any Auto** – The “Any Auto” box should be checked as the coverage type for auto liability insurance.

   h. **Liability Limits** – The liability limits on the COI should comply with the requirements discussed in Section 1 above, by coverage type. Coverage below the
stated requirements may be supplemented by umbrella liability coverage, provided the RCUH, University of Hawaii, and the State of Hawaii are listed as “Additional Insureds” under the umbrella policy.

i. **Additional Insured** – The RCUH, University of Hawaii, and the State of Hawaii should be listed as additional insureds.

j. **Certificate Holder** – The certificate holder should be the Research Corporation of the University of Hawaii, 2800 Woodlawn Drive, Suite 200, Honolulu, HI 96848.
