

THE SCHOOL OF OCEAN AND EARTH SCIENCE AND TECHNOLOGY
INVITES YOU TO OUR

10th SOEST OPEN HOUSE

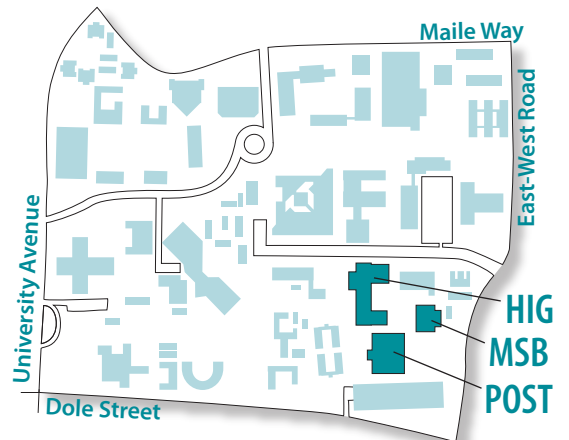

as we explore the **"Power of 10!"**

Oct. 16, 2009 • 8:30 am to 2 pm
Oct. 17, 2009 • 10 am to 2 pm

- Come learn about volcanoes, tsunamis, El Niño, planetary exploration, hurricanes, coastal erosion, marine ecosystems, and so much more!
- There will be hands-on activities and demonstrations for kids of all ages to enjoy.
- Meet the actual scientists who are making the discoveries and tour their state-of-the-art facilities.

On the UH Mānoa Campus, located in and around the Pacific Ocean Science and Technology (POST), Marine Science (MSB), and Hawaii Institute of Geophysics (HIG) buildings.
