

# SOEST OPEN HOUSE

THIS CONTEST FOCUSES ON THE VOICE OF THE SEA:

Voice of the Sea is the exciting new television show about ocean science issues and research in Hawai'i and the Pacific. Learn more at [www.voiceofthesea.org](http://www.voiceofthesea.org).

The ocean speaks to all of us in different ways, sharing its story through a variety of wildlife, from the smallest plankton to the largest whale, as well as through many kinds of people, from fishermen to cultural experts, scientists, surfers, and ocean lovers. Use your poster art to share how the ocean speaks to you.
