

**DEPARTMENT OF GEOLOGY & GEOPHYSICS**

School of Ocean & Earth Science & Technology

University of Hawaii at Manoa

**REQUIREMENTS FOR A MINOR IN GEOLOGY & GEOPHYSICS**

The minor requires GG 101 (or 103) & 101L or GG 170, 200, and 11 credits hours of non-introductory Geology and Geophysics courses at the 300-level or higher. A “C” average is required in these courses. The minor is flexible and can provide either an introductory survey of geology or emphasize areas of particular interest to the student. A student interested in a minor in Geology and Geophysics should consult with an advisor from the department to tailor a plan best suited to the student’s interest.

**COURSE NUMBER, NAME & CREDIT HOURS**

**GRADE**

- GG 101 Dynamic Earth (3 credits) or  
GG 103 Geology of the Hawaiian Islands (3 credits)  
and GG 101L Dynamic Earth lab (1 credit)

\_\_\_\_\_  
\_\_\_\_\_

OR

- GG 170 Physical Geology (4 credits)
- GG 200 Geological Inquiry (4 credits)
