

Curriculum Transfer Request to enter the School of Ocean & Earth Science & Technology

*****Please carefully read the following instructions prior to submission*****

- Students must be in good standing in their current degree and program to be accepted. Students who are on probation or suspension will not be permitted to transfer until their academic action is cleared and cumulative grade point average is at least a 2.00.
- Contact one of the following faculty members to make an appointment for an academic advising session to discuss your transfer plans:
 - Geology & Geophysics Robert Dunn – dunnr@hawaii.edu
John Sinton – sinton@hawaii.edu
 - Global Environmental Science Jane Schoonmaker – jane@soest.hawaii.edu
Kristin Momohara – kristinu@hawaii.edu
 - Meteorology Leona Anthony – leonaa@hawaii.edu
- Bring a copy of the Curriculum Transfer Request form for you and your prospective program advisor to fill out at your advising session.
- Bring the Curriculum Transfer form to the SOEST Student Academic Services Office for final approval of transfer.
