CARE IN THE USE OF LANGUAGE

Time words
When
Frequently, often, usually
Occasionally, sometimes
While

Place words
Where
Commonly, typically, generally
Locally
Whereas

Degree of confidence words (high confidence to low confidence)
Know
Conclude
Realize
Recognize
Understand
See
Think
Infer
Feel
Suggest
Hint
Believe (avoid due to connotations of religion and faith)

Common (but entirely avoidable) errors
The word "north" is not capitalized
The word "it's" is a contraction: it's = it is.
The word "its" is a possessive: A dog scratches its fleas.
