Cost Recovery for Shore-side Services

Effective 7/1/2023 – 6/30/2024

All shore-side services require two business day notification.

Equipment reservations can be made online via

<https://www.soest.hawaii.edu/UMC/cms/EquipmentReservation.php>

Labor rates are based on Monday – Friday during normal business hours.

Overtime rates will be charged after hours, weekends, and holidays.

Equipment use beyond eight hours will incur additional charges.

Indirect cost and 10% administrative processing fees apply for all services.

Vessel Support

- Line handling
 - \$199.00 /hr/person (one hour minimum)
- Shipboard electrical consumption (480 VAC, 400 A dual receptacles)
 - At cost plus
 - Consumption is based on eGauge monitor
- Ship trash hauling
 - Ship must arrange for trash services from a local vendor

Shipping and Receiving

- Hourly rate (\$75.00) charged for handling and storing packages sent to and from UHMC billed per 15-minute increments

Crane services

- Grove Crane (15 ton) w/operator: \$285/hr (4 hr. min charge)
 - Without operator: \$140/hr (4 hr. min charge)
- Link-Belt Crane (65 ton) w/operator: \$625/hr (4 hr. min charge)
 - Without operator: \$300/hr (4 hr. min charge)

Large Fork lift services (up to 30,000 lbs)

- \$115/hr without operator (certification required) (1 hr. min charge)
- \$235/hr with operator (1 hr. min charge)

Small Fork lift services (up to 5,000 lbs)

- \$60/hr without operator (certification required) (1 hr. min charge)
- \$177/hr with operator (1 hr. min charge)

.322 cable tensioner / spooler

- \$315/day for tensioner and/or spooler

Flatbed truck

- \$95/half-day (4 hours), \$165/full day (8 hours)

Pickup truck

- \$75/half day (4 hours), \$125/full day (8 hours)

Safe Boat

- \$400 a day (8 hours) with user operator (MOCC qualified)
- \$950 a day (8 hours) with UHMC operator (MOCC qualified)

Warehouse space for working on equipment

- For approved mobilization prior to a cruise, a 20' x 10' space will be made available without charge for up to two weeks prior to a cruise. The same space can be made available without charge for up to 3 days after a cruise.
- For other work, a 20' x 10' space will cost \$50/day (\$ 0.25/sq.ft.) for each day of use. Larger space can be provided if it is available and will be charged at the same cost per sq. ft.

Laydown space in the Pier 35 and Sand Island yards

- Workspace at UHMC's Pier 35 and Sand Island facilities can be made available to groups affiliated with UH. The cost for that space is \$0.75/sq.ft. per year. An annual inventory of space usage is conducted in July and invoices are issued at that time. For container storage, this equates to \$150/year for a 20' container and \$300/year for a 40' container.

Security

- A dedicated security watch is required 24/7 and this can be using ship's personnel or contract security \$1500.00 per day

Charter Vessel Safety Inspections

- \$570.00 for current USCG COI vessel or NAMS (National Association of Marine Surveyors) and/or SAMS (Society of Accredited Marine Surveyors) surveyor report
- \$1130.00 for non-USCG COI vessel
