

UHM OCN Graduate Student Q&A Panel

Thursday, October 6th
5:00 - 6:00 PM

Name: Blake Stoner-Osborne

Email: blakeso@hawaii.edu

Pronouns: he/him/his

OCN Concentration: Biological Oceanography

Research Interests: Pelagic Food Web Ecology, Stable Isotope Biogeochemistry

Path to Graduate School: Undergrad -> PhD

Name: Carla Baizeau

Email: cbaizeau@hawaii.edu

Pronouns: she/her/hers

OCN Concentration: Physical Oceanography

Research Interests: Sea Level Rise

Path to Graduate School: Undergrad -> Masters

Name: Ching-Tsun (Joyce) Chang

Email: ctchang@hawaii.edu

Pronouns: she/her/hers

OCN Concentration: Biological Oceanography

Research Interests: Trophic Ecology and Migration Patterns (Mola Mola / Ocean Sunfish)

Path to Graduate School: Undergrad -> Masters -> Workforce -> PhD

Name: Christina Comfort

Email: ccomfort@hawaii.edu

Pronouns: she/her/hers

OCN Concentration: Biological Oceanography

Research Interests: Coastal Oceanography, Land-Based Pollution

Path to Graduate School: Undergrad -> Gap Year -> Masters -> Workforce -> PhD

Name: Liz Miller

Email: ecmiller@hawaii.edu

Pronouns: she/they

OCN Concentration: Biological Oceanography

Research Interests: Deep Sea Food Web Ecology

Path to Graduate School: Undergrad -> Gap Year -> PhD

Name: Petra Byl

Email: pkbyl@hawaii.edu

Pronouns: she/her/hers

OCN Concentration: Biological Oceanography

Research Interests: Marine Virus Ecology, Comparative Genomics, Culturing Methods

Path to Graduate School: Undergrad -> PhD

Name: Shannon McClish

Email: smcclish@hawaii.edu

Pronouns: she/her/hers

OCN Concentration: Marine Geology & Geochemistry

Research Interests: Phytoplankton Bloom Drivers, Carbon Export in Southern Ocean

Path to Graduate School: Undergrad -> PhD
