

SAMPLE SUMMER THESIS & SYMPOSIUM TIMELINE

This sample timeline is intended for students' planning purposes only; actual dates will vary according to the University's academic calendar. Students will be given the appropriate timeline upon Program approval of their research and thesis proposal. Note: Deadlines are firm. Students who do not submit their fully-formatted and mentor-approved thesis draft for external review on time will not be allowed to present at the Symposium (i.e. their graduation will be deferred to the next term).
