School of Ocean and Earth Science and Technology

Internal Organizational Chart
(Updated Friday 18 February 2022)

Executive Committee
- Chip Fletcher
  Interim Dean

Academic Council
- Judith Lemus
  Interim Associate Dean for Academic Affairs

Research Council
- Darren Lerner
  Interim Associate Dean for Research

Hawai'i Institute of Geophysics and Planetology
- Robert Wright
  Director
- Hawai'i Institute of Marine Biology
  - Eleanor Sterling
    Director
- Hawai'i Natural Energy Institute
  - Richard Rocheleau
    Director
- UH Sea Grant College Program
  - Darren Lerner
    Director
- Pacific Biosciences Research Center
  - Maria Berry
    Director

Department of Atmospheric Sciences
- Jennifer Griswold
  Chair

Department of Earth Sciences
- Garrett Apuzen-Ito
  Chair

Department of Ocean and Resources Engineering
- Zhenhua Huang
  Chair

Department of Oceanography
- Margaret McManus
  Chair

International Pacific Research Center
- Niklas Schneider
  Director

Cooperative Institute for Marine and Atmospheric Research
- Douglas Luther
  Director

Marine Geochmistry Division
- Marine and Environmental Geology Division
- Marine Biology and Coastal Ecosystems Division
- Physical Oceanography Division
- Biological Oceanography Division
- Geophysics and Tectonics Division
- Volcanology, Geochemistry, and Petrology Division
- Center for Microbial Oceanography: Research and Education
  - David Karl
    Director

University Marine Center / Ship Operations
- Analytical Support Facility
- Research Computing Facility
- Engineering Support Facility

Financial Management Systems Office
- Personnel Office
- Program and Budget Office
- Publications Facility
