

Deep Sea Teacher Workshop

Hungry to learn about the deep sea?

Join scientists and educators in a professional development workshop for G6-12 science educators. Hawaii is surrounded by the deep sea, yet so few children have any idea that it is there, what lives there or why it's important to us.

Date: June 3-4, 2023

Time: 8am-5pm

Location: UH Manoa, Marine Science Bld.

Requirements: You must be a G 6-12 teacher in Hawaii's schools (public or private) and teaching science curriculum.

Application: Email Jeff Drazen at jdrazen@hawaii.edu for form.

Participation is limited to 10 on a first come, first served basis for qualified applicants. Off-island teachers are welcome to apply. Travel stipend available.

Application Deadline: ~~April 21~~, May 5, 6 pm.

Stipend: \$150
