

SOEST Open House

CELEBRATING A TRADITION OF EXCELLENCE AND INNOVATION

FREE! *Saturday 21 Oct. 2023*
10 am–2 pm

- Learn about volcanoes, tsunamis, El Niño, planetary exploration, hurricanes, coastal erosion, marine ecosystems, and much more!
- There will be hands-on activities and demonstrations for all ages to enjoy!
- Meet the people who are developing the technologies and making the discoveries, and tour their state-of-the-art facilities!

Open to the public!

Please visit www.soest.hawaii.edu/openhouse for more information or to register your group of ten or more (click on the **Group Registration Form** link).
