Hauʻoli Mau Loa Foundation (www.hauolimauloa.org), SOEST, and CNS are pleased to announce the availability of two graduate assistantships for local students dedicated to careers in natural resource management in the state of Hawaiʻi. The following eligibility criteria apply: (i) good academic standing (minimum GPA of 3.0 prior to and throughout the assistantship); (ii) from Hawaiʻi, as evidenced by graduating from a Hawaiʻi high school; (iii) pursuing a M.S. degree in Marine Biology, Oceanography, or Earth Sciences; (iv) track record of supporting Hawaiʻi’s environment (e.g., internships, volunteer opportunities, etc.) and serving in a leadership capacity (academic, athletic, extracurricular, and/or professional); and (v) commitment to pursuing and attaining a long-term career in natural resource management in Hawaiʻi.
