Hungry to learn about the deep sea?

Join scientists and educators in a professional development workshop for G6-12 STEM educators. Hawai‘i is surrounded by the deep sea, yet so few of us have any idea that it’s there, what lives there, or why it’s important to us.

**Dates:** September 7th & 14th, 2024  
**Time:** 8 AM - 5PM  
**Location:** UH Mānoa, Marine Science Building  
**Requirements:** G6-12 STEM Educator
