

Meet the SOEST Student Academic Services Staff

Aloha and Welcome to UH! I have been working in SOEST SAS since 2024. I received my Bachelor and Master degrees in Education with a Marine Options Certificate, here at the University of Hawai'i at Mānoa. While a student, I was able to take part in various science internships and research, some being right here in SOEST.

I was born and raised here on O'ahu and grew up in Waipahu. Outside of the office I enjoy spending time with my family, going to the beach, and lei making. I volunteer with my alma mater providing leadership training to high school students. I have a passion for education and inspiring students to try new things.

I'm excited to work with you to make your experience at the University of Hawai'i at Mānoa impactful, meaningful, and relevant to your academic and professional goals!
